

Report of the Foundation President  
For the FSMTA Fall Board Meeting  
October 24, 2008  
Tampa, Florida  
Millicent Callobre, President

We are happy to report that the Gala held in Gainesville in June netted \$631.50 and these proceeds have been sent to the FSMTF Treasurer from the Conference Committee.

An article was prepared for the August/September Newsletter, which included donations that were received through June, and a report on the Gala and Raffle held at the Conference.

From June through September there have been \$1,119.25 and includes the recent donation of \$440.00 for the Colvert Endowment. The others were listed in my Newsletter Report for Aug/Sept.

Plans are being made for the 2009 Foundation Gala in Tallahassee.

It will be held on Wednesday June 10, 2009

A Contract has been signed and a Deposit sent for rental of the Goodwood Museum's Jubilee Room.

The Goodwood Museum is a former Plantation Estate begun in the 1830's and consists of 16 separate buildings-houses, cottages, structures, and gardens. A brochure of the Museum and Gardens will be shown at the Board Meeting.

The Museum is close to the Conference Hotel, and carpooling will be planned

Two tours will be offered to our group beginning at 5:30 and at 6:00. The tour will include going inside the Main House, and the cost will be included in the total donation.

Cocktails and soft drinks will be available on the Patio outside of the Jubilee Room prior to, during, and after dinner.

A buffet dinner will be served.

Guests will be limited to 50 of our members/spouses/guests; as the room is small with a fireplace and living room atmosphere.

Entertainment, exact cost, and dinner menu will be announced at the Winter Board Meeting.

As these items are still being worked out.

Respectfully submitted,  
M. Callobre
