

FSMTA Executive Board Meeting
Non-Competitive Events Report - # 7
October 24, 2008

VP FOR NON-COMPETITIVE EVENTS (Tim Murphy):

The FSMTA Student Activities board met in Gainesville on Thursday, June 19. Zelda Jenson presented a new idea for DSD in which sightreading might be extended to levels 1 and 2. After much discussion, it was agreed that she would bring sightreading samples for these levels to the 2009 Student Activities Board meeting and that this would possibly be implemented for DSD, 2010.

The above information was published in the August/September 2008 FSMTA newsletter.
