Activities since the 2008 Winter Board Meeting:

- Attended the MTNA National Conference in Denver: of interest to the Executive Board, I delivered the Florida State Pride Gift and attended the MTNA Foundation Meeting, Southern Division Meeting, and the MTNA Foundation Gala.
- Attended final meeting of the 2008 Conference Planning Committee in Gainesville.
- Secured a Gift Certificate from Buster Lipham of Lipham Music, Gainesville, for a drawing for the MTNA Foundation
- After consulting with Marge Bengel, MTNA, any monies from MTNA Foundation drawings at the next two conferences will be applied toward a future Florida MTNA Fellow recipient. \$1,000.00 minimum is needed to fund and designate a MTNA Foundation Fellow. FSMTA has one Fellow, Martha Stubbs, and I feel that this is a wonderful opportunity to honor other members, and FSMTA, at national conferences.
- After initiating a request to meet with Shirley Wise in early March, whom the Executive Board selected to negotiate contracts with conference hotel sites, she finally has scheduled to meet with Martha Stubbs and me to look at potential hotel sites for the 2009 Conference Wednesday, May 28th. More details will be provided at the Executive Board meeting.
- 2009 Conference Co-Chairs are from District I: Julia Sublette from Okaloosa MTA, and "mutual co-chairs" Stephanie Womble, and DL Miller from Pensacola MTA.
