

The results of the FSMTA Executive Board vote are in on the motion "to consider rescinding the 2nd June Conference and move it back to the Fall of 2009."

They are:

NO 15

YES 4

Since any electronic vote done needs to be unanimous, no further action is needed by the Board. This information will be recorded in the FSMTA Executive Board minutes.

The 2009 State Conference will be held in the month of June. Your conference planners are working diligently to make this 75th State Conference an event to remember. The dates of June 10-13, 2009 are being considered at this time.

Please watch the website for the final dates as they are determined.

Thank you for participating in this process.

Paulette Kilts, FSMTA President
