

4b. FSMTA Teacher Awards

One application for the Excellence in Teaching Award was received from Helen Niedung. The application has been reviewed by the committee chair and the three committee members (past state presidents): Martha Stubbs, Helen King, and Charles Turon. It was unanimously approved to grant the award to the applicant. The award will be presented at the 1st general session of the state conference on Thursday, June 19, 2008. The plaque has been ordered from a local trophy store, and will be brought to the conference. Helen's application materials will be sent to MTNA for consideration for the national award.

There were no applications for Local Association of the Year.

Plans are being made to get the applications on-line on the FSMTA website this summer for future applicants. We plan to use MTNA forms for our state applications.

Respectfully submitted,

Michelle Snow
