HANDBOOK REVISIONS (Betsy Randolph):

The revision to the opening section of the FSMTA Student Activities Handbook is in the process of being completed.

STUDENT ACTIVITIES HANDBOOK DISTRIBUTOR (Victoria Williams):

Since February, there have been 4 handbooks mailed out. Moneies collected: \$60.00. There are 51 handbooks that remain.

THEORY (Victoria Williams):

There has been some confusion with teachers throughout the state not knowing about the 2007 errata packet (even though there have been articles in the FSMTA newsletters) or not understanding what to do with the errata sheets. Much time has been spent with phone calls and emails in helping to resolve these issues.

Respectfully submitted,

Tim Murphy, NCTM
FSMTA VP - Non-Competitive Student Activities
