

FSMTA  
Fall Board Meeting  
October 23, 2009  
Tampa, Florida

Since the Summer Board meeting, most of my efforts have centered on helping to organize the College Convocation, to occur October 24-25. Preparations have included the following:

- Worked with Collegiate Chapter Chair Megan Walsh to organize and coordinate the meeting with chapter advisors and chapter presidents, recital, chapter presentations, workshop, master class and luncheon banquet
- Prepared articles for two issues of the newsletter
- Worked with the FSMTA webmaster to post information on our website and to keep it updated
- Arranged for the following college faculty to participate:
  - Recital performers: Rene Gonzalez (University of Miami), Leonid Yanovskiy (University of West Florida)
  - Workshop and master class presenter: Jennifer Donelson (Nova Southeastern)
  - Participating with students: Erin Bennett (University of North Florida), Grigory Zamparas (University of Tampa)
  - Banquet speaker: Melodie Dickerson (State College of Florida)
- Worked with Denise Homsley, VP for MTNA Competitions, to help provide monitors from students who attend the convocation

Initial plans for incorporating the convocation with the 2010 FSMTA Conference have been discussed with the ad hoc committee on conferences, chaired by Adrienne LeBlanc.

Respectfully submitted,

Charles Turon, Ph.D., NCTM, FSCTM  
Chair, College Council
