Editor's Report Executive Board Meeting June 2009

There have been no changes in the process of producing the newsletter since our last meeting.

I want to thank the board members for all of their support and help during my time as editor of the newsletter. The newsletter could not be what it is without your articles. It has been a great experience and a chance to get to know a lot of you, at least through e-mails.

I know the newsletter will be in good hands. After working closely with Becky Barlar as membership chairman, I knew I could count on her constant efficiency and accuracy. She always was ready to provide the necessary information for the distribution of the newsletter immediately. I feel sure that she will take the care needed to prepare accurate and informative issues.

The next deadline will be July 10. Our new editor, Becky Barlar, will accept articles on her e-mail Barlarb@floridacollege.edu

Respectfully submitted,

Adrienne LeBlanc, Editor
