

4b. FSMTA Teacher Awards

1. I received call from Nancy Shackelford asking for guidance on submitting portfolio from Stella Pola to apply for Excellence in Teaching Award.
2. I returned the call and clarified the process and presentation of materials.
3. I received copies of said portfolio by deadline.
4. I contacted and forwarded portfolio to 3 former FSMTA presidents for their review and decision, as required by bylaws.
5. There was not a unanimous decision to endorse this candidate, so it will not be awarded this year as she was the only applicant.
6. The revised application served as guide to both the applicant and committee as to the criteria for the award and having it available on-line streamlined and expedited the entire process.
7. There were no applicants for Association of the Year Award.
8. In an effort to increase participation in the seeking of these awards, I will place articles in all newsletters this coming year.

Respectfully submitted,
Michelle Snow
