

Report for FSMTA Winter Executive Board, Friday January 30, 2009 meeting  
by Mark Repasky, Chairman of Community Service Awards  
this report prepared January 19, 2009

Today I submitted an article for “The Florida State Music Teacher” reminding teachers of our two community service awards and providing information on accessing the application forms.

Two changes have been made to the application forms for 2009. Deadline for applications to be completed and delivered to our Local Presidents is now March 1. The Local Presidents Community Service Award has increased to \$200.00. Updated application forms are available at our [www.fmta.org](http://www.fmta.org) website.
