Editor's Report Winter Board Meeting January 2009

Since the last board meeting in October, we have had 2 more issues of the newsletter. We also had requests from 2 more advertisers, Nova Music and Florida Atlantic University. Nova music has requested a repeat ad in the August /September 2009 issue. We have collected in advertising fees, \$1100, approximately the cost of one issue.

A few adjustments have been made to expedite the process of getting the newsletter together, printed and mailed. We were able to get the Feb/March issue out in a much more timely manner than past issues. Our goal is to have a copy in the members hands the first week of the month, and happily, the current issue should arrive slightly ahead of schedule.

At this time, there are 57 members receiving their newsletter online.

The next deadline will be March 10.

*Respectfully submitted,*

*Adrienne LeBlanc, Editor*
