Since the FSMTA directory is now on the website, I am no longer mailing hard copies to new members. New student members are being sent a letter welcoming them to FSMTA and referring them to both the directory and the newsletter on-line at a cost of \$.42 per letter. Other new members are being sent a hard copy of the last issue of the newsletter along with the welcome letter at a cost of \$.59 per mailing. This past month the printing company destroyed the extra copies, so right now I am just sending new members the information on how to view the newsletter on-line.
