

FSMTA
Fall Board Meeting
November 3, 2010
Bradenton, Florida

Since the Summer Board meeting, most of my efforts have centered on helping prepare for the FSMTA Conference. These preparations include the following.

- Served as College Liaison for the Conference
 - Assisted Vice-President of FSMTA Competitions Mary Seal in coordinating rehearsals and performance of the Competition Winners Recital to be held at SCF on November 4, 2010
 - Assisted Vice-President for MTNA Competitions Denise Homsley in coordinating rehearsals and competitions to be held at State College of Florida, November 5 and 6, 2010
 - Coordinated the Conference Artist Recital by pianist Spencer Myer to be held at SCF on November 5
 - Coordinated receptions to be held at SCF after the Winners Recital and Conference Artist Recital
- Solicited members of the FSMTA College Council to make presentations/workshops at the conference. College faculty presenters include Dr. Erin Bennett, Dr. Jennifer Donelson, Mary Lou Krosnick, Shylam Grace, Dr. Philip Paglialonga, Rex Willis, Melodie Dickerson, and Dr. Joshua Pifer.

Original plans to hold a Collegiate Coda after the end of the conference on Saturday afternoon could not be pursued due to the conflict with the MTNA Competitions being held throughout Saturday into Saturday evening.

Respectfully submitted,

Charles Turon, Ph.D., NCTM, FSCTM
Chair, College Council
