

## **Teacher Awards**

There were two applicants for FSMTA Excellence in Teaching award. One withdrew and will re-submit next year under more auspicious circumstances.

The judges (consisting of past FSMTA Presidents Martha Stubbs, Gary Wolf, and Millicent Callobre) unanimously endorsed the remaining applicant, Mary Lou Wesley Krosnick, nominated by Sandra Stewart, President of Jacksonville MTA, to receive the award. The presentation will be made at the 1<sup>st</sup> General Session on Thursday, November 4, 2010, by committee chair, Michelle Snow. The application, accompanied by a nominating letter by Marc Hebda, FSMTA President, will then be submitted to MTNA to be in the running for the national award.

The committee chair would like to add a statement to the application stating that only copies (no originals) of supporting documents be submitted in the future as all materials submitted to MTNA are not returned.

There were no applicants for the District of the Year Award.

Respectfully Submitted,  
Michelle Snow
