Treviso redefines the idea of “museum dining” with a unique and fresh approach, for lunch, dinner or Sunday Brunch. Treviso features a blend of Classic Italian and American favorites, showcasing the freshest ingredients of the season for every palate in sophisticated urban atmosphere.

Treviso is named for the Italian province where Asolo, Italy is located. The Ringling Museum has a special connection with Asolo - the fully restored and beloved 18th-century Historic Asolo Theater came to Sarasota from this hillside town more than half a decade ago. Located in the John M. McKay Visitors Pavilion at the John and Mable Ringling Museum of Art, Treviso allows guests to enjoy its culinary delights beyond normal museum hours.
