4B.

TEACHER AWARDS

Since June Board meeting I have:

- Received application from Upper Pinellas Music Teachers Association for Local Association of the Year by July 31 deadline.
- Appointed committee of 3 past FSMTA Presidents from different districts and mailed application portfolio to them.
- Received unanimous endorsement from committee to confer award on UPMTA.
- Notified UPMTA of their receipt of the award.
- Made arrangements with Jo Plunkett, VP for District and Local Associations, to present the award at First General Session of State Conference as I am unable to attend.
- Got plaque, wrote presentation for Jo, and sent everything to her. Included two extra copies of presentation for newsletter and website.
- Revised procedural manual for chair of this committee.
- Contacted incoming President, Adrienne LeBlanc, to request letter of recommendation for UPMTA to accompany application to MTNA.
- Am now preparing application to send to MTNA by December 1 deadline.

I request application on website to be amended that 4 (instead of 3 as it now reads) copies of materials for this award be submitted as this is what MTNA requires. We have already done this for Excellence in Teaching award.

There were no applicants for Excellence in Teaching Award.

Respectfully submitted,
Michelle Snow
