FSMTA State Honors Award Medals

FSMTA is pleased to provide State Honors Award medals to those students in District Student Day who achieve State Honors status (see criteria below). Each medal will have the FSMTA logo on the front and State Honors will be engraved on the back. The neck strap will have the year printed on it.

The student must have been recommended for State Honors status by the examiner at District Student Day. That recommendation will be awarded if the student meets the following criteria: (1) Honors in the Performance examination; (2) achievement or honors scores in both Aural and Written Theory examinations. Students who participate in the **performance audition only** in piano, Level 7 and above, or voice, Level 5 and above, will be awarded a State Honors Medal if they receive Honors in the Performance audition.

The medals will be available from the FSMTA Non-Competitive Events Assistant Chair only **after** the DSD Chair has sent in the final DSD tally reports.
